

Insect-a-clear

COMPACT 15W

There are 2 models in this range, one has a standard UV lamp whilst the other, a shatter resistant one. Both models can be wall mounted, suspended or free standing.

The **Insect-a-clear COMPACT 15W** has been designed for use in restaurants, food shops, kitchen areas, fast food outlets etc., indeed anywhere where flying insects present a problem.

The **Insect-a-clear COMPACT 15W** has been manufactured to British and European standards.

Due to its slim design, it's ideal where ceiling height or wall space is restricted. The outer casings are made from steel which is then powder coated white.

The following features are incorporated on the **Insect-a-clear COMPACT 15W**

All steel construction, zinc coated and then powder coated for excellent corrosion resistance.

Electrical plug and socket on machine side allows easy isolation for servicing.

Easy servicing, just undo the 2 screws for easy access to the lamp and grid.

Stainless steel killing grid.

An aluminium catchment tray for easy and hygienic disposal of the dead insects.

Shatter resistant lamp option available.

Conforms BS EN 60335-2-59 and the European EMC directive.

Every **Insect-a-clear COMPACT 15W** can be wall mounted, suspended, or free standing.

Screws and wall plugs are provided for wall mounting.

5 year guarantee (except lamp & starter). Terms and conditions apply
